Copy No. 4

MEMORANDUM FOR: Chief, Military-Economic Division, ORR

25X1 ATTENTION : [redacted]

FROM : Chief, CIA/PID(NPIC)

SUBJECT : UFA Aircraft Engine Plant #26

REFERENCE : (1) ORR Requirement No. C-RR3-80,550, 9 September 1963
(2) CIA/PID Project Number C1258-63

1. This memorandum is in answer to referenced requirement concerning new construction at UFA Aircraft Engine Plant #26.

2. This study is based on photographic coverage from [redacted] 25X1
25X1 [redacted]

3. UFA Aircraft Engine Plant #26 is comprised of two plant areas, which are referred to as #26A and #26B. The following paragraphs contain a description of the changes in each plant area since CIA/PID Memorandum Number IB-125/63 (forwarded to your office 26 June 1963), which was based on photography
25X1 from [redacted]

4. UFA Aircraft Engine Plant #26A: This plant area contains no apparent change in facilities since [redacted] 25X1

UFA Aircraft Engine Plant #26B: The changes in this plant area since
25X1 [redacted] consist of the construction of a new machineshop/workshop building (enclosure #1 annotation #22). This new building was in an early
25X1 stage of construction [redacted] and appears to be approximately 80
25X1 percent complete on [redacted] The dimensions for this building when completed will be approximately 665' x 380' and will contain approximately 252,700 square feet of floorspace. There is evidence of additional construction activity in the area outlined at annotation #23 (enclosure#1). The quality of photography precludes an accurate interpretation of this construction activity. The construction of the new machine shop/workshop building at annotation #22, increases the total square footage of plant #26B to approximately 2,056,920 square feet.
